

EIGHTY COMPENSATION CASES HEARD BY COMMISSIONER ABBOTT

Because Maggie Verdile's Finger Was Injured While "Fooling" She Can't Claim Compensation--Other Cases.

Maggie Verdile, a young girl employed in the factory of George Kaufman, had her finger severely injured on September 10, when a needle pierced it. She was at work sewing on a machine in the factory at the time. Monday afternoon her claim was one of the eighty slated for a hearing before W. A. Abbott, deputy commissioner of the state compensation commission, at the court house here.

Maggie was accompanied to court by her friend Rosie, and according to the statements made by both girls they were fooling together and Rosie pushed Maggie's arm in fun, causing the finger to be pierced by the needle on the machine.

"I am sorry, Rosie, that you just said you did it in fun," remarked Commissioner Abbott. "For now Maggie cannot obtain compensation."

The commissioner further stated that under the rule as laid down he was obliged to disallow the claim of Maggie for compensation.

Winn Awarded \$905.60.

Patrick Winn, a young man, was injured while at work on the island Dock shipyard. He was working a boring machine and sustained an injury to his eyes. An optician who had examined Winn's eyes stated that he had lost 40 per cent of his vision and also should be awarded 10 per cent on double vision. It developed that Winn would see things double when he glanced down, but when looking straight ahead was not affected.

Commissioner Abbott directed that he be awarded \$905.60, and asked Winn if the award was satisfactory. Winn replied that it was not and he should receive more for he still suffered intense pain in his eyes. The carrier insurance company is the Liberty Mutual.

85 Per Cent Loss of Hand.

George McClary, employed at the Martin Cantine Company plant in Saugerties, sustained an 85 per cent loss of the use of his hand while at work. He was awarded compensation for 207 weeks at \$10.39 a week. It was stated he had already been paid for 117 weeks, which will be deducted from the 207 weeks. The Aetna is the insurance company.

Styler Awarded \$1,121.47.

George Styler, an elderly man, who was injured at the American Grenade Loading Company plant in Port Jervis, was awarded a lump sum of \$1,121.47, less what the Travelers Insurance Company had already paid him, and the case declared closed.

Question of Employment Raised.

Sanford Van Deusen and Edgar Conklin, employed by the Canfield Supply Company, were severely injured at Rhinecliff about thirteen weeks ago and Monday their cases came up for a hearing for the first time. The insurance is carried in the State Fund. Commissioner Abbott stated that the question raised was whether the two men were in the employ of the company at the time of the accident.

It was brought out by the evidence that the men were in the employ of the company. They were on their way back from one job to the store to report, make out their time card, and receive further orders, and it is contended that their employment did not cease for the day until they had left the store of the Canfield Supply Company on the Strand at the close of the day's work.

Commissioner Abbott said he would hold the cases and place them down for determination at the next hearing in January.

Hands And Fingers.

Many of the cases heard Monday were for compensation for injured hands and fingers.

Edgar DeGraff, employed by Teller & Tappen, fractured a finger and injured several others while at work. He was awarded compensation from October 18 to December 8, 7 weeks at \$10 a week, and the case set down for the next hearing for re-examination of injuries to ascertain if permanent.

Jacob Schafrick, employed by Terry Brothers, was awarded 9 weeks at \$13.55 a week and the case closed.

Bernard Miller, employed by Hendricks Brick Company, who caught his hand in machinery, was awarded compensation for 10 weeks at \$2.50 a week, and the case continued.

Oscar Carlson, employed by the New York Telephone Company, was not present. He was awarded compensation of \$12.46 a week from date of injury to eye, and will be notified to have good oculist examine eye and send report to the commissioner.

Cases Closed.

Three Cornell Steamboat Company employees, Hugh McGinnis, Leo A. Walsh and George Brown, failed to appear, and the cases were declared closed as of last award, and they are to be notified to that effect.

Other Cases.

Joseph Perkins, employed by the Albany Portland Cement Company, was awarded 32 weeks' compensation, amounting to \$320, and case closed.

Mary P. Fry, of the Red Hook Telephone Company, who was injured at three weeks with injury, was granted an award for one week. The

COAL STRIKE IS GOOD AS ENDED

Head of Miners Union Says All Will be Settled at Today's Conference—Contempt Proceedings Put Over at Government's Request.

By Telegram to The Freeman. Indianapolis, Ind., Dec. 9.—A conference of miners officials here this afternoon on the wage increase proposed by President Wilson will bring the coal strike to a definite end today.

This definite statement was made to the International News Service today by John L. Lewis, acting president of the mine workers, who accepted the proposition made by President Wilson in Washington.

"There can be no question but that the strike will be definitely ended and the men return to work, if the conference accepts President Wilson's proposal," declared Lewis.

The miners' executive had already expressed the belief that the conference would ratify the government's terms.

Indianapolis, Ind., Dec. 9.—The decks were cleared today for a settlement of the coal strike this afternoon.

At 11 o'clock United States government attorneys, headed by Attorney General A. Mitchell Palmer, appeared before Federal Judge Anderson here and asked that both the contempt proceedings and the war time activities against the operators and miners be discontinued until next week.

Attorneys representing the miners union concurred in the government's request for a continuance of the cases, thereby removing another obstacle in the way of settling the strike.

Edgerton to Lecture Here.

James A. Edgerton, of Washington, D. C., will lecture at the Dr. C. D. Sahier Sanitarium at 7:30 p. m., December 11th. The people of Kingston are cordially invited to attend. The subject of the lecture will be "The Law of Compensation." Mr. Edgerton is the president of the International New Thought Alliance. He is also purchasing agent of the United States post office department. Lieut. J. C. Edgerton carried the first aerial mail in and out of Washington, and is now director of flying of the aerial mail service.

Button Social at Shady.

Shady, Dec. 8.—There will be a "Button Social" held in the Shady Hall, Friday evening, December 12, 1919. Each lady is requested to bring a button with her name around it enclosed in a paper bag. All come and have a good time.

work on November 28. He had been paid \$47.50, and case was closed.

Philip A. Schryver, employed by town of Rhinebeck, was awarded 12½ weeks at \$15 a week and case closed.

E. Fredenburgh, employed by Elnora Krum, was awarded 8 weeks at \$8.65.

Take An X-Ray.

L. E. Dennis, employed by S. J. Harry Company, was examined by Dr. A. A. Stern as to permanent injury, and physician reported to decide that point an X-ray would have to be taken. This will be done. He received a broken forearm.

Patrick Bunt, employed by Indian Head Lumber Company, was not present, and Travelers Insurance Company instructed to investigate claim.

Joseph H. Clark, employed by W. H. Dero, award made up to December 1.

A. Seymore, employed by Marshall Jones Company, no appearance on part of claim, and case held in abeyance until heard from.

Henry G. Messing, employed by estate of Peter Barmann, claim disallowed as he was not disabled over 14 days.

James J. Dugan, employed by Jacob Rice & Son, injured October 27, awarded for 8 weeks, and \$50 allowed for doctor and hospital.

Richard Wenzel, employed by D. J. Murphy, was injured October 17, and is still disabled. He was awarded \$150 to date, and \$60 award for another month, when case will be heard again.

Allen E. Griffen, employed by Miss Sadie Denman, case closed.

Another Death Claim.

Joseph J. Janacek, of this city, employed at the D. J. Murphy shipyard, was killed during the past summer. The claim was partly heard some time before. Another adjournment was taken until January, after some testimony was received. The carrier, the United States Casualty, claimed that no dependency had been shown. Janacek, when his wife died, went to live with his mother, and paid her \$25 a week. The insurance company claims that she is not dependent on the other son, Sam, and at the present time only ten per cent of that number are members of our club. The board of governors, who approved for Mrs. Janacek, have been alive to conditions affecting the years of our roads, and at all times have been working for the greatest benefit to all motorists, non-members as well as members; if they had a larger representation, however, say a thousand members, which we should have, I am sure much greater benefits could be obtained.

During the past year there has been considerable proposed legislation, that had it become law, would have been adverse to motorists. Through the efforts of the state as-

HARRISON NEW AUTO CLUB HEAD

Membership Has Doubled During Year—Reports of President, Treasurer and Secretary—Other Officers Elected.

The annual meeting of the Ulster County Automobile Club was held Monday evening at the Y. M. C. A.

WILLIAM R. HARRISON

when officers for the year were elected, the annual reports were received and after the business had been transacted the members of the Automobile Club and the members of the Chamber of Commerce listened to a very interesting and enlightening explanation of the new state income tax law from James T. Taaffe, of the state comptroller's office.

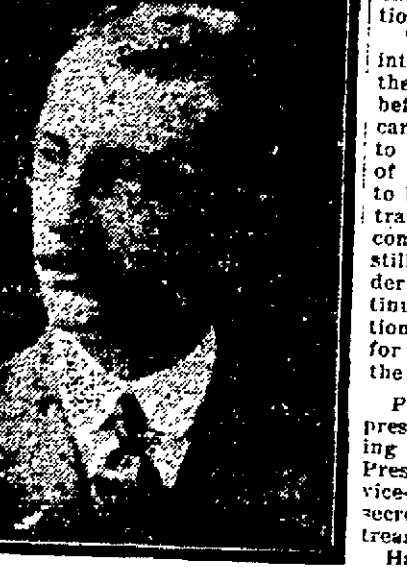

Reports of the president, secretary and treasurer were read, showing the good work which is being accomplished by the Ulster County Club in co-operation with the other clubs of the state and the state organization.

During the past year the membership of the Ulster County Automobile Club had doubled but there are still hundreds of automobile owners in the county who are not members of the club and during the coming year each member is asked to secure at least one new member and by next year the officers hope to have a membership of 1,000. At present the membership is 372 members.

The following report of President Bennett was received:

To the Members of the Automobile Club of Ulster County:

For two years you have honored me with the presidency of your association, and, before saying anything

WARD B. EVERETT

else, I wish to take this opportunity of expressing my sincere appreciation of your loyal support and co-operation. At all times you have responded promptly and heartily to every call that has been made upon you and if anything has been accomplished in the interest of motorists or other users of the highway, it is because of your faithful and efficient help.

The past year has been an active one, and we believe productive of some good results. Last spring, through the combined efforts of the dealers and our association, a most successful automobile show was held in the armory. Secretary Hugo, who was with us on the opening night, complimented us by saying that, of seventeen shows he had visited throughout the state, ours was the very best, and the display of cars the finest he had seen. As a direct result, the dealers booked orders for more cars than ever before, and the Automobile Club raised nearly one hundred new members. Since last January our membership has practically doubled, but there is still room and opportunity for many more, in the city and county there are nearly four thousand owners of motor cars, and at the present time only ten per cent of that number are members of our club. The board of governors, who approved for Mrs. Janacek, have been alive to conditions affecting the years of our roads, and at all times have been working for the greatest benefit to all motorists, non-members as well as members; if they had a larger representation, however, say a thousand members, which we should have, I am sure much greater benefits could be obtained.

During the past year there has been considerable proposed legislation, that had it become law, would have been adverse to motorists. Through the efforts of the state as-

sociation, of which this club is a part, such legislation has been defeated, and other bills of benefit to motorists have been passed. Delegates from your club have attended the various conventions and committee meetings of the clubs of New York state that have been held throughout the year, and endeavored in every way to bring about the best results to all concerned. Highway improvement has been kept constantly in mind—your officers have been in close touch with the commissioner of highways, and we believe we are on the eve of the greatest improvement era in our history. Due to the war, some portions of our roads, which were under construction, were left unfinished—a number of these have been completed during the past season, others have been top-dressed and generally improved, and Commissioner Greene has assured us that he intends to carry on the good work as rapidly as possible. During the summer, the road signs in our city and county have been renewed, and many new ones erected, which has given us the proud distinction of being one of the best signed counties in New York state.

With the improvement in our city streets, there has been a tendency on the part of some of our people to drive faster than was conducive to safety. There are also some who evidently do not know or do not understand the rules of the road, especially as to who has the right of way at intersecting streets. The secretary has sent cards to all members relative to this, and if we will only remember that the one on our right has the right of way, and drive with care, we will very materially aid in making true our motto of "Safety First."

The New York State Automobile Association, since converting its 20,000 members into volunteer traffic observers, finds that the great majority of violations, which are state-wide, is due to ignorance of the automobile laws as laid by local authorities. The members have responded enthusiastically to the call for reports on violations coming under their personal observation, many such reports being received daily at the Albany headquarters of the association.

The reports contain numerous violations, including no front or tail lights; no lights at all; glaring headlights; reckless operation; recklessness in passing street cars; taking on and discharging passengers; turning into streets and roads without giving signals; passing automobiles on curves in face of other cars having right of way; running at night with only one light and a spot light; backing out from curbs and heading in face of traffic, instead of heading with traffic and turning to left to right side, etc. etc. Many dealers are found among the violators reported as using demonstration plates on cars for private use and glaring headlights.

May we ask that our own members use as great care as possible themselves, and do whatever they can to help improve these conditions? Time will not permit us to enter into further detail with reference to the work of the past. The future is before us, however, and we should carefully consider what we can do to accomplish the greatest amount of good for all. There is yet much to be done in order that we may travel our highways in safety and comfort; there are many problems still to be solved. You can render real assistance by your continued co-operation, your suggestions and support, and "boosting" for one thousand members during the year to come.

President William R. Bennett presided at the meeting, the following officers being elected for 1920: President, William R. Harrison; vice-president, Charles R. O'Connor; secretary, Dr. H. F. Meinhardt; treasurer, Ward B. Everett.

Harry S. Ensign was elected a member of the board of governors to succeed Charles R. O'Connor. Alonzo Witne was elected to succeed him.

It was unanimously voted to increase the salary of the secretary to \$200 a year.

Before adjourning the club went on record as being in favor of the \$109,000,000 bond issue by the state to complete the state highway system. This action was taken following the same action taken by the State Convention in session last fall.

The report of Ward B. Everett, treasurer, was as follows:

Checks drawn. \$1,914.98

CENTRAL Y. M. C. A. DIRECTORS BEGIN MEMBERSHIP CAMPAIGN

Fifteen Teams Are at Work and The Aim is For Each Team to Obtain at Least 20 New Members Before The Campaign Ends.

K.H.S. BASKETBALL SEASON TO OPEN

Kingston High School officially opens its basketball season on Friday night when the Varsity lines up against the Triangle quintet. The second team will clash with the Saugerties High School Varsity.

The Triangle lineup will probably include C. Dolson, Loughran Smith, K. Wood, H. Johnson and Bob Murray. The lineup of the other teams has not as yet been fully determined.

The Varsity has an unusually big schedule of games this year. Manager Charles MacMillan, of the Midgets, is fast rounding out the schedule of games which the Midgets will play this season. The team averages 125 pounds.

The Varsity schedule for 1919-20 is:

- Dec. 12—Triangles and Saugerties at Kingston.
- Dec. 19—Newburgh Academy at Kingston.
- Dec. 29—Union Hill, N. J., at Kingston.
- Jan. 9—Albany High School at Albany.
- Jan. 16—Port Jervis High School at Kingston.
- Jan. 23—Liberty High School at Liberty.
- Jan. 30—Troy High School at Troy.
- Feb. 6—Liberty High School at Kingston.
- Feb. 11—Albany High School at Kingston.
- Feb. 13—Saugerties High School at Saugerties.
- Feb. 20—Troy High School at Kingston.
- Feb. 23—Poughkeepsie High School at Kingston.
- Feb. 28—Newburgh Academy at Newburgh.
- March 6—Roxbury High School at Kingston.
- March 6—Poughkeepsie High School at Poughkeepsie.
- March 12—Port Jervis High School at Port Jervis.
- March 19—Hudson High School at Kingston.
- March 26—Hudson High School at Hudson.
- April 2—Roxbury High School at Roxbury.
- April 2—Stamford High School at Stamford (pending).
- April 9—Stamford High School at Kingston (pending).

GLENCIE HILL

In Bad Shape Now For Cars or Horses.

Glencrie Hill is icy and in a very dangerous condition for horses or auto traffic at the present time. Up to midnight Sunday, four machines slipped into the ditch at various points on the hill and one auto was smashed up by running into a bridge abutment. Last week a team fell on the slippery asphalt, the load of lumber took a reverse motion, backed off the steepest part of the bank and stood on its end in the ravine below. Gravel that is right beside the road on the hill if sprinkled on the ice surface would help to hold cars on the high crowned bituminous macadam which is the cause of most cars skidding in the ditch. Why a bituminous macadam should be highly curved when the road is well drained is a mystery. Glencrie hill should have a horse drawn traffic route up the west side of the present road that at a reduced grade would entirely reduce the present danger. But we should not disturb our highly efficient state highway department with such problems as making a state trunk road safe, they are now cleaning off visionary spider-web bridges. It's about time we had a new picture of the one over the Rondout.

AMENDMENT RESULTS.

Abolish Voting and Stamp Drainage Allowed Carried.

By Telegram to The Freeman.

Albany, N. Y., Dec. 9.—Voters at the last election favored constitutional amendments calling for permission of absentee voters to cast their ballots and for state aid in draining swamp lands. Scores obtained at the election bureau of the secretary of state's office today show. The drainage amendment was carried by a majority of 12,816 and the absentee voting amendment by 252,272.

Proposed constitutional changes providing for increased salaries for members of the legislature and the court of appeals, judges new four, \$5,262 and \$2,588 votes respectively.

Rebuilding Laundry.

Alterations are being made to the building occupied by Thomson's Laundry on Clinton avenue. The present building is being rebuilt and a large addition erected to increase room for the rapidly increasing business of the firm.

The fifteen directors of the Central Y. M. C. A. have entered into a membership canvass. Each director has chosen a chairman, who has in turn chosen four team workers. The teams are numbered one to fifteen, and by each worker securing four members it will make twenty new members to a team or a grand total of three hundred members. The directors and chairman spent an enthusiastic hour Monday evening in choosing their team workers and in selecting the list of prospects. All are wondering which team will be over the top first with its quota of twenty members.

The following list shows the teams in action. A list of prospective members is on file at the association rooms.

ELECTION NOTICE.
The annual meeting of the stockholders of the Kingston National Bank of Kingston, for the election of seven directors and such other business as may properly come before them will be held at the banking house, 20 Ferry Street, Kingston, N. Y., January 15th, 1916. Tickets will be open from 11 a. m. to 12 m.

ELLENVILLE.

Ellenville, Dec. 8.—The local high school team defeated the Catskill High School team at basketball at Norbury Hall Friday evening by a large score, which proved an uninteresting game. Dancing followed the game, which was enjoyed by the young people. A large crowd attended the game.

The Men's Bible Class of the Reformed Church Sunday school will present the "Village Choir of Pumpkin Ridge," under the direction of Mr. Quaffe of New York at Norbury Hall Monday and Tuesday evenings. Those who had the pleasure of attending the "Slavin" Skewl last year will know Mr. Quaffe's ability in arranging and producing programs of the olden times and customs. The Village Choir depicts the old fashioned people with their quaint costumes and mannerisms and will recall with pleasure the good old days of our grandmothers.

John Leopold and sister, Miss Josephine Leopold, are spending a few weeks with their sisters at Dover, N. J.

Cornelius Newkirk of Greenfield is spending the winter in the village boarding at H. B. Lauber's on Maiden Lane.

Townsend Fitzgerald, who has been engaged the past year at the Ironk garage at Wallkill, has returned to Ellenville and is now engaged at the Vanderlyn Brothers' garage on Main street.

Maynard Osborn and Mrs. George E. Kelp of Pine Bush motored to Ellenville Saturday on a business trip. Mrs. Susan Zimmerman of Ohioville has been visiting her brother, Andrew T. Newkirk, and other relatives at Greenfield.

Mr. and Mrs. I. W. Millard have been visiting their daughter, Mrs. Marsh, and family, at Ridgefield Park, N. J.

Miss Julia Misner of Middletown has been spending some days with her sister, Mrs. DuBois Vanderlyn, and family, on Brodhead street.

Miss Van Vleet of New Paltz has been the guest of the Misses Graham on River street the past week.

George Mitter left here to spend a few weeks at Kutler, N. J., where he will engage at his trade, painter and paper hanger.

U. G. Tice, engaged at New Rochelle, spent a few days at his home on North Main street.

Coles Dutcher and family have returned to their home at Oneida after visiting his parents, Mr. and Mrs. William Dutcher, on Center street.

Mr. and Mrs. T. D. Hurst and daughter of Brooklyn spent several days in Ellenville, guests at the Mitchell House.

The sale of Christmas Seals under the direction of Edward A. Smiley and a corps of efficient assistants, is now going forward in Ellenville.

Mrs. Ira Schoonmaker entertained the Hunt Memorial Class of the M. E. Sunday school with their teacher, Mrs. E. E. Coult, at her home on Main street Monday evening. Following a business session, games, music and refreshments with a pleasant social intercourse followed.

Mrs. Ira Schoonmaker is to entertain the ladies of the Lutheran Sewing Circle at her home on South Main street Tuesday afternoon, and the Y. P. L. A. of the same church will be entertained by Mrs. Kotner and Miss Marion Miller at the parsonage Tuesday evening.

The Woman's Auxiliary of St. John's Church will meet at the rectory Tuesday evening at 8 o'clock. Mrs. George B. Holmes will entertain the members of the Dorcas Society at her home on Warren street Thursday afternoon at 3 o'clock.

ESOPUS.

Esopus, Dec. 8.—A business meeting of the Epworth League will be held at the parsonage on Tuesday evening of this week beginning at 7:45. The pastor and his family will be glad to welcome every member of the League, also all who will join the society. Come and have a pleasant evening.

Mr. and Mrs. Alfred Terpenning have returned from Kingston and intend to spend the winter in their home in this village.

Mr. and Mrs. Hasbrouck Freer motored to Kingston on Friday last.

Mrs. Emma Dickerson visited relatives in Kingston on Thursday of last week.

Louis C. Goodrich has purchased the fine farm owned by Charles C. Beaver and will take possession December 8th. This farm was purchased by Mr. Beaver's father, John O. Beaver of James Martin in the year 1861, when his son, Charles, was a young lad and the latter has resided there for fifty-eight years.

During the past fourteen years he has supplied the people of this village daily with milk from his dairy and Mr. Goodrich will continue this route. Mr. Beaver and family have not decided where they will reside in the future, but their many friends sincerely hope they will not go very far from their old home, as they would be greatly missed, both in the neighborhood and church. The friends of Mr. and Mrs. Goodrich wish for them the same successful career in their new home as their predecessors have experienced.

At the morning service in the Methodist Church, the pastor, Rev. G. W. Budd, received on probation a class of ten children. Following are the names, Mary Sheeler, Jennie Smith, Elsie Ganoung, Ruth Snow, Sadie Snow, Velma Hermance, Orman Hermance, Kenneth Best, Ernest Best, and Alex Sheeler. In the evening Mr. and Mrs. Robert Hammel and son, Henry, and James B. Sheeler were received also on probation. These additions to the church are the result of the special meetings recently held.

At the close of the sermon next Sunday morning, December 14, the Sacrament of the Lord's Supper will be observed in the M. E. Church.

Mrs. Calvin Cole spent several days in Poughkeepsie last week with her daughter, Miss Helen, also visiting Mr. and Mrs. Ernest Sweet and Miss Ruth Anderson.

Young Diplomat.

Little Dale, aged three, who lived in the neighborhood, was always dropping in about meal time. He liked to be asked to remain for the meal and would try to think of something flattering to say in order to bring this about. At one time he walked around the table and noticing some eggs that had been boiled in the shell exclaimed: "Oh, see the beautiful eggs!"

FROM HIGHBALL TO HIGHBAWL

In the Baby Carriage Lies the New Interest for Now "Dry" Parental Mind, says Rector.

From the highball to the highbawl, from the stationary mahogany bar to the perambulatory baby coach—this is the real substitute for the saloon in the opinion of Rev. Melville K. Bailey, Vicar of Holy Spirit Mission, which is located in the heart of that section which made a certain cocktail famous—the Bronx.

Responding to an invitation of the Nation-Wide Campaign of the Episcopal Church for suggestions for saloon substitutes, Rev. Mr. Bailey, postulating that what is needed in the prohibition era is a new interest to occupy the male mind, lays it down as the result of twenty-five years' study of the question that in the baby-carriage literally lies that new interest which will divert the parental mind from all thoughts of the saloon.

Says Rev. Mr. Bailey, who is hard at work in the interest of the Nation-Wide Campaign of the Episcopal Church to raise \$42,000,000 to expand its work in every field and play its full part in building a new order out of the present chaos: "Where the passion of paterfamilias is thoroughly aroused it dominates a man's whole energy. It drives him to the greatest efforts to succeed in labor or business, it impels him to cooperate with his wife in making the home a handsome and orderly abode and it kindles in his heart a sort of barbaric pride in the young whelp that is being wheeled about in the baby-carriage. The father may

not be a total abstainer, but when the really grand passion of paterfamilias has taken possession of his mind there is little room in it for that complex of social and physical enjoyment which is called the saloon.

And Rev. Mr. Bailey is prepared to prove his contention to anyone who will go into the district over which he ministers with him. Taking a photographer along with him recently, he had the human document, embalmed. There it was! A squadron had come to anchor in front of a big apartment house—all sorts of babies, each installed

in a carriage, at the handle-bar of which was a proud father. As the photographer looked closer he made this important discovery. As they stood there, keeping watch over their young, those proud fathers, unconsciously perhaps, had each lifted a foot to the rear axle of his baby carriage, and in this position, reminiscent of other days, they were discussing the well, what did men discuss in those days when, instead of resting their feet on the rear axle of a baby-carriage, they planted them on the brass rail of a stationary mahogany bar?

LAPALA WILL GET ITS MAIL

Carrier Misunderstood, Had in Mind Worst Kind of Winter and Started Something—But All's Well That Ends Well.

The following semi-official explanation of the situation along the Lapala-Lomontville R. F. D. route has been furnished to The Freeman:

Owing to over-anxiety on the part of R. R. Carrier No. 3 on Route 3, leading from the Kingston post office to Lomontville, via Cantino's Bridge to Lomontville, Lapala and other points, the longest of the four rural routes, 31.40 miles, some patrons were made uneasy as to possible delay in receipt of their daily mail and newspapers during stormy winter weather. The carrier, a returned soldier with several years' experience on this route, had in mind the severe winter of two years ago when his horse gave out in the snow drifts and he was compelled to finish the trip on foot, reaching the post office 9 and 10 o'clock at night. Not being aware of the exceedingly mild winter last season and disturbed by nightmares of blizzards, etc., the carrier, very popular among the patrons along his route, without thinking of the consequences, asked a number living along the extreme end if they would mind if he delivered the mail on Tuesdays and Fridays only when the roads were heavily drifted and impassable. He then reported to the postmaster his understanding of the interview and asked the postmaster to apply to the department for relief and an order to cut his trips to bi-weekly during such periods. The postmaster made an investigation, found the carrier had been over-zealous, assured the patrons that they would receive the same high standard of service as at present, and cautioned the carrier.

The postmaster desires all patrons on the route to be at ease as to receipt or dispatch of their mail each week day as heretofore, and desires to be informed of any failure or neglect on the part of any one.

Ernest Paddon

Ernest Paddon, the noted Australian sculler, who has issued a challenge to World's Champion Felton for a championship match to be contested on the Parramatta river, Australia. Paddon's challenge stipulates that the race be for a \$2,500 side bet. Felton recently won the world's title from Ernest Barry, of England. Barry won the title in the international sculling matches held in London shortly after the signing of the armistice.

Why Play the Fool?

There's no advantage in playing the fool. You may kick against custom if you will, but what gain is there in it? After all the world wants results. It's willing to pay the man who supplies it with what it wants. To set a part, or to claim what is truly yours may bring temporary success, but the deceit is paying too much for the while. Reactions always follow trickery and bragging. If you're really smart, you won't have to stoop to deception to get ahead. You will respect yourself and other folk by acting as if everybody had a reasonable supply of brains. That will keep you from doing foolish things and expecting exonerations because it's you. And the sooner you learn to do your part the less you will have to pay.

THE KITCHEN CABINET

COMPANY GOOD THINGS.

For a company luncheon creamed codfish and potato served in baked potato shell is both a dainty and wholesome dish. Prepare the creamed codfish as usual, bake the potatoes, cut them in half and remove the potato. Mash with butter a little cream and seasoning. Put a tablespoonful of the codfish in the shell. Add some of the potato, brush the top with egg and set into the oven to brown. Garnish with a spring of parsley.

Lettuce Salad With Cheese Balls.—Make balls of seasoned cream or cottage cheese. Roll some in chopped chives and some in nuts. Dispose in nests of head lettuce and serve with a good boiled dressing.

Another attractive cheese salad may be prepared as follows: Use one of the little revolving ice-cream cones used in serving cream. Rub the inside with olive oil, line the mold with cream cheese, mixed with cream to make it of the right consistency. Fill with chopped, salted celery mixed with a little mayonnaise. Carefully turn out on a lettuce leaf.

Grape Bavarian Cream.—Soak one-third of a package of granulated gelatine in cold water to cover. Dissolve over hot water, then add one pint of grape juice sweetened to taste. Place in ice water and stir. As the mixture thickens, stir into it one-half cupful of cream whipped. Decorate the sides and bottom of a mold with split almonds, dipping each into a little of the dissolved gelatine. Carefully turn in the mixture and set away on ice to become firm. When serving garnish with frosted grapes. Wash the grapes then dip in egg white, then in granulated sugar. Arrange on grape foliage with the cream in the center of a large chop plate.

Rings of shapely macaroni, with the end removed, filled with ice cream, surrounded with preserved ginger, with a bit of the sauce for each, makes a most delectable dessert.

KINGSTON, N. Y., DEC. 9, 1919.

Working with an organization you are something. Working alone you are not much at the very most. Give your best to the organization and you will be doing a great good. The people are fast getting away from individualism. It didn't pay.

There is plenty of time yet for other candidates for the Republican nomination for governor to get in the race. From all that is heard the number is not diminishing and the field may continue to enlarge. The number proves that the party is not without plenty of Republican timber and that confidence abounds.

Will H. Hays, chairman of the Republican national committee, speaks of patriotism in times of peace. By this he means that the people should take an active interest in political affairs and do everything possible to improve our system of government in the state, in the nation and in local matters. He is among those who believe that Republicanism begins at home.

Up-state Democrats are watching to see whether Governor Smith will appoint Michael F. Walsh to the position of state superintendent of banks. Mr. Walsh, a Tammany man, is now a tax commissioner, but the superintendent of banks carries the larger salary, and Tammany men are not blind. The appointment should be announced shortly after the first of the new year and there are some other plums to fall at the same time in the Tammany basket.

"CHEAP NATIONALISM."

It is well that Frederic C. Howe is no longer Commissioner of Immigration, for if he were he would try to find means to avoid carrying out the order to deport Emma Goldman, his intimate friend. The Ellis Island investigation has brought to light a letter which Emma wrote to her "Dear Fred Howe" not only scoffing at efforts to "Americanize America" but containing this illuminating passage: "I hope that your fine spirit and your good taste will not be carried away by the cheap nationalism which is everywhere raising its sinister head in America today."

It is "cheap nationalism" to stand for America's existing governmental structure and time-honored institutions. The brave and fine thing is to turn your back on these and join the international group of socialists, anarchists and communists who would pull all governments down and destroy the institution of private property in order that drones may fatten upon the accumulations of the industries. This is not merely the view of the Emma Goldman type of "Red." It is to no little extent the view also of the parlor socialist of the type of Emma Goldman's "Dear Fred Howe." It is none too reassuring to learn that parlor socialists who regard patriotism as "cheap" have recently been in the employ of the federal government, for it inevitably begets the not unreasonable fear that there are others now in the federal service who are secretly working to defeat the government's efforts.

COWWEB HOSIERY AND "FLU."

Health Commissioner Copeland of New York takes issue with the French medical authorities who hold that "cowweb" hosiery was one cause of last winter's epidemic of "flu." According to Commissioner Copeland, "there is nothing whatever in the silk stocking theory, for the reason that deaths among males far exceeded deaths among females in this city (New York) during the epidemic." This dictum of a health commissioner on such a subject, though it is atmosphere of authority inspires respect, will not be accepted by every one as conclusive. For one thing, Mr. Copeland assumes that men do not wear silk stockings at all. Let alone the cowweb variety, but this is a mistake, as many an observer is well aware. He also fails to recognize the fact, or the probability, that cowweb hosiery is apt to be more sturdy in the case of the male than

in the case of the female of the species.

Being more accustomed to heavy clothing than women, men are likely to suffer more from the folly of encasing their limbs in thin textures. From long habit women are better able to stand exposure to cold. Moreover, according to certain medical scientists of repute, women are not only better able to stand exposure to cold than men but can more readily endure pain of any sort. According to this medical theory, women are less sensitive to pain than men owing to a provision of nature designed to fit women to perform a certain great duty of life attended with extreme physical suffering. Whether this theory be altogether sound or not, it is pretty safe to agree with the French physicians that cowweb hosiery has had a good deal to do with the ravages of the "flu."

BENEFIT PLAY FOR ACTORS' FUND

The week which began on Friday last is known as Actors' National Memorial Week. The thought of the campaign is to commemorate the work done by the people of the stage to help win the war, and incidentally place the Actors' Fund of America, which is the charity that provides for the sick, disabled and destitute of the profession, on a firm financial foundation.

Actors' National Memorial week has been approved by President Wilson, Secretary Baker, the governors of forty states, and the mayors of nearly all the cities of the United States and hundreds of well known citizens of the country such as John D. Rockefeller, George W. Perkins, Henry P. Davidson, Charles Evans Hughes and William C. McAdoo.

The preparations of the week have not been conducted by theatrical men but by a committee composed mainly of business leaders with the support of the leaders of the Episcopal and of many protestant churches, and the Catholic church and of many prominent rabbis.

Mayor Canfield is a member of the general committee and is also chairman of the Kingston committee. The other members of the local committee are Admiral F. J. Higginson, Charles R. O'Connor, George C. Gildersleeve, S. D. M. Hudson, Leo F. Herbert, Dr. Morton Low, W. Davis Hawk and Edwin L. Merritt. The treasurer of the committee is Charles R. O'Connor, the chairman of the publicity committee is S. D. M. Hudson, secretary of the chamber of commerce, and the program committee is Leo F. Herbert, George C. Gildersleeve and Dr. Low.

At the High School on Friday the English classes had the subject of the American Drama for their special study. As the local committee does not wish to affect any other drive or campaign, it has arranged to have a local play at the Kingston Opera House on Thursday evening which will be supplemented by specialties. The program will include the farce comedy, "The Private Secretary," which was given at St. Joseph's Hall two weeks ago and which proved to be so successful and entertaining. It will also include a special scene by the famous minstrel troupe of Charles DeWitt Council, Jr. Order United American Mechanics, and other specialties.

It is hoped that the people will respond in purchasing tickets and in attending, thereby making it unnecessary to solicit any funds and at the same time receiving full value for the entrance fee.

PALENTOWN.

Palentown, Dec. 8.—Mr. and Mrs. Virgil Barringer called on Mrs. J. H. Bevier at Samsonville on Sunday and found her improving nicely after her sudden illness.

While Mr. and Mrs. John Feltmann were spending their Thanksgiving with relatives at New Paltz, Mr. Feltmann was stricken with paralysis and had to remain at the home of his daughter, Mrs. Fred Deput. His friends hope that he may soon be able to be moved to his home here. His children were called to see him on Wednesday.

David L. Palen and Elmer Barringer made a business trip to Kingston on Thursday.

Mrs. Ella Krom of Samsonville, assisted Mrs. William Feltmann with her butchering recently.

Miss Bessie Reeves who has been in ill health has been spending some time with her aunt at New Paltz and receiving medical treatment at that place. She recently returned to her home here greatly improved and her friends are all glad to see her looking so well.

Joseph M. Lennon is preparing for cold weather by drawing a fine lot of wood to his wood pile.

Mrs. V. Barringer spent Thursday with Mrs. John Reesmer and Mrs. Don Van Ethen at Samsonville.

D. L. Palen and sister, Mrs. Harry Coons, were in Kerhonkson one day recently.

William F. Dymond and Eli Codignation have come to Palentown where they are engaged in cutting logs at a lumber camp.

Enjoy Cold Days in a Maxwell

JUMP into a Maxwell, bundle up, and in a second or two you're off.

No stone cold engine, no getting out to crank.

A few revolutions of the engine and it is running with midsummer action.

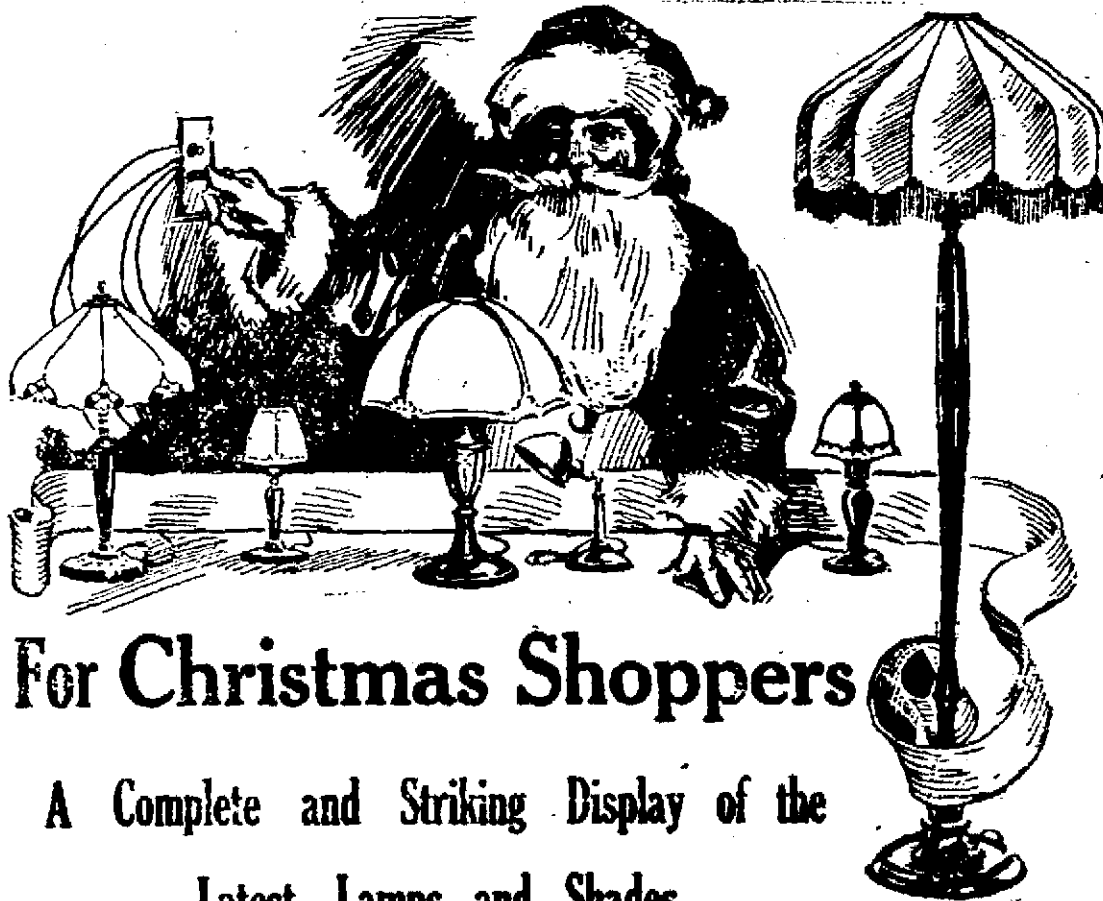

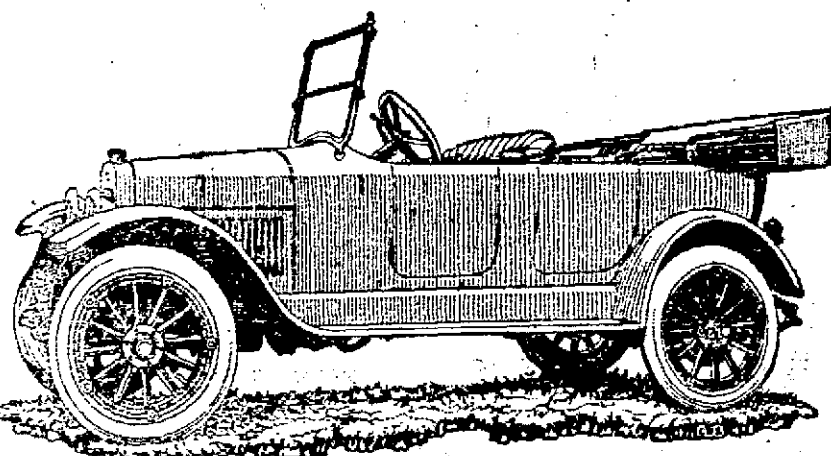

You get over ground quickly, get to your destination faster than in a bigger car.

This cold weather efficiency in a Maxwell is traceable to the Hot Spot and Ram's-horn, which warm up, "break up" gas into a fine vapor.

The moment this reaches the cylinders it is converted into full power and you avoid the troublesome experience of "trying to get a car warmed up on a cold day."

This high efficiency and the fine quality of steels used in its construction have made for Maxwell friends by the thousands—to date more than 300,000 of them. 100,000 Maxwells are being built this year; which will supply but 60% of the demand.

Price \$985 f. o. b. Detroit.

**HARRISON NEW
AUTO CLUB HEAD**

(Continued from Page One.)

The work of the association the past year has been of the utmost importance to every member. The club has been active in putting up new signs where needed, thereby keeping our county up to its well earned reputation of being the best signed county in the state. The law and legislative committee has met with the usual grist of vicious automobile

**DR. H. F. MEINHARDT**

ous and has worked faithfully with the other clubs in the state association for their defeat. Two bills particularly vicious were the illuminated number plate, \$5,000 bond bill and increase on pleasure cars up to 25 horse power. While there was a bill rushed through in the closing hours of the session increasing the fees on pleasure cars on a scale from \$2.76 up to about \$25, according to horse power and list price, this does not become effective until February 1, 1937. Efforts will be made early in the session of the 1937 legislature to amend this bill so that it will be on a more equitable basis before it does become effective.

The club again brought before the board of supervisors the importance of having a suitable parking space for automobiles and the committee working with the other committees of Kingston we were successful, and today Kingston can be proud of her progressiveness in that direction.

The board of governors have from time to time urged upon the highway department the necessity for the early completion of the bridge across the Rondout creek, also urged upon the state association by resolution and letter the importance of the completion of this break in the main trunk highway on the west shore of the Hudson, and we have had their hearty support. If Commissioner of Highways Col. Greene stays, he assured us we will have that bridge while he is commissioner.

The club has endeavored through the proper officers to keep the bad places in the roads throughout the county and the streets in the city as good shape as possible, calling to their attention all complaints, with the assurance from them they would be remedied with the least possible delay.

One of the most important considerations before us today is the persistent violation of the motor vehicle, uniform traffic, anti-glare headlight, mirrors on trucks and the curbing of reckless and incompetent drivers of motor vehicles. Here is a plan that has been suggested by the executive committee of the state association.

Have each member report to his club such violations of these laws, as may come under their observation, license number, make of car, place and nature of violation, name of witness, this will be reported promptly to the state association where a complete record will be kept and a friendly communication sent to the registered owner, calling his attention to the violation and its possible fatal results. Upon a second report the record will be placed in the hands of the local authorities, department of state troopers and secretary of state and if a third violation is reported of the same car or owner, the record will again be furnished the local authorities in the community where the last violation occurred. The department of state troopers and the secretary of state, with the demand that the license be revoked or the violator prosecuted on both, with approximately 20,000 of organized automobiles in every section of the state co-operating in this way, is certain to have a most wholesome influence upon all operators of motor vehicles, and horse-drawn vehicles as well, the result can only be a great service to all users of the highways in making them safer for everybody.

Adequate legislation was enacted a year ago regulating the dazzling headlights menace. However, there has been little enforcement. This state police have done some work in this direction, but local authorities rarely interfere. The state association has now come forward with what seems a logical method of dealing with this situation. A resolution passed at the annual convention calls for a law which will not permit the secretary of state to issue a license until the car is equipped with proper lights. It seems the logical means of making the roads safe at night and it is hoped the better element will get behind this law when it is introduced and force its passage.

The state association is in favor of the passage of a law requiring all operators of motor vehicles to be licensed by the secretary of state. This law has been in operation in New York city with the greatest success.

The association also favors the increase of the state constabulary by at least 100 members or by such increase as may be found wise and economical, with the proposed increase they can look after violations of the highway laws. It is generally

ally recognized that the state constabulary is an effective peace organization and if they can have the increase much more effective work can be accomplished.

When the last bond issue for fifty million was submitted to the voters it was thought that this sum would complete the total mileage of state and county highways at that time designated; but this sum was not sooner voted than the prices of both labor and material began to advance, and this advance in 1914 took on unnatural advance due to war conditions. The program for 1920 will practically exhaust all of the available funds. This means additional funds must be provided to complete our system of highways. The state association passed a resolution giving the highway commissioner their full support in his efforts to obtain the passage of referendum looking to the issue of 100 million of revenue bonds for the completion of road roads in the state, and we believe that 90 per cent of the taxpayers desire that our system of highways be extended and completed.

Something must be done to curb the theory and disposal of stolen cars. Very many suggestions have been offered and the members of the legislature and organized motorists ask all motorists to aid them in the solution of this evil. Two of our members had their cars stolen this year, one of which was recovered, and the state association paid a reward. The club also will pay a reward for the arrest and conviction of thieves stealing a member's car.

There have been some delays and plenty of trouble for the publishers of Motorist since last year, thereby causing some complaints about receiving the journal regularly. We are told the future will see all members receiving their Motorist regularly.

Another important question was making the highway 100 per cent efficient. The splendid highway constructed throughout New York state were intended for continuous and uninterrupted traffic and as they are becoming more and more a factor in our transportation business, highway patrol posts, police service, also gasoline and tire work, must be carried from the farmer to the market. It is as essential to have them from farm to the railroad. Plans should be made in all sections where a law enforcement force is needed. We understand that a broken with increased an even removal will be made of the state and county highway engineers and the highway department request the local author-

ties to keep the roads open in their territory.

The Automobile Club co-operated with the Automobile Dealers' Association in holding a very successful automobile show in March, the club also holding a very successful smoker at the Y. M. C. A. Auditorium, showing a "Safety First" picture, to which the secretary of state, Francis M. Lugo, the guest of the club that evening, particularly called the attention of the motorists in his effort to make the roads safe for the motorists and the pedestrian as well.

Herbert W. Baker, secretary of the New York State Automobile Association, was our guest and told us of the necessity of organization and pointed out what would happen in Albany were it not for associations such as ours.

The club has been busy throughout the touring season through the secretary's office in furnishing tour information and route cards when requested, many times receiving the thanks of the motorist and congratulating the club for its efficiency.

I wish to say in closing to the members, do not pass all the work along to your board of governors. Do a little personal work, resolve that in 1920 each member will get a mem-

ber. They will thank you when you explain that organization saves them money each year. Most motorists are good fellows and when they understand want to help the other fellow.

RESULT OF CITY RELIGIOUS SURVEY

Distribution of 454 Families Found To Be Without Bibles—521 Families Not Connected With Any Church.

The tabulation of the religious survey made by the Ulster County Bible Society in the city on November 23rd last discloses many interesting figures. As no separate church or denomination could carry on such a census without probably causing a misunderstanding, the Bible Society undertook it. It is estimated that about 33% of the families are covered by the report. It was made by means of cards upon which the questions were printed and the answers written by the workers. The society is making a similar survey throughout the county as it is the only non-denominational organization of the character which could make it. The present officers are: Mayor Canfield, president; C. Dwight Divine, Ellenville, vice-president; A. D. Rose, treasurer; Rev. Henry Smith, secretary, and J. D. Turner, associate secretary.

As a result of the census it appears that there are 454 families within the city who are not connected with any church, but have a church preference. Duplicate cards have been sent to the ministers, pastors or rabbis in charge of the churches for which the preference was shown, except as to the few preferences not represented by a church in the city.

The 454 families are distributed as follows:

KINDERHOOK LOST

To Fleischmanns Five by Score of 27 to 18—F. H. S. Girls Win.

Fleischmanns, Dec. 9.—Friday evening the Kinderhook parish house team motored to Fleischmanns to play the F. H. S. boys. The game was witnessed by a large crowd and great enthusiasm reigned throughout. In the first half Kinderhook was never given a chance to score by the Fleischmanns' boys' splendid team work, the shooting of Faulkner featuring. The score at half time was 20-2. Fleischmanns leading.

The Kinderhook team are very fast, and claim several championships around Albany. Their forwards, Haver and McNamee, are two of the fastest men seen in this section in some time. The Fleischmanns guards, Pierson and Jocelyn, were called upon to use their greatest fleetness in order to hold them from scoring. In the second half Kinderhook scored often and ran the score up to 37-19.

In the preliminary game the Fleischmanns girls won from Downsville girls by the score 6-2.

Wee Ways In Fashion

To the biggest eyes in the world to the tip-top curl and saucy dimples—it is surprising how engaging such a combination links itself to all the curves of pinks and blues ever known to fashion. Babies were made for naive trifles of ribbons, for bits of lace, spun of moonshine for flowers—soft lengths of fairy fabrics and babies have a genius for being becoming to anything—which is the way a pink rose is of always being becoming to spring.

A bundle of shy laughter—of blue and golden dreams—a wide awake wonder—that is your baby.

Here are some suggestions for Christmas gifts for that little face that looks like an apple blossom:

3 Million Dollars but— It bought MUSIC

No finer example of courage is known to the world of science than Thomas A. Edison's work in perfecting the phonograph. The skeptics rose in full chorus when he proposed a better phonograph,—an instrument "that could produce music as human as the artists who first gave it utterance."

MR. EDISON'S EXPERIMENTS EXHAUSTED THE ENTIRE FIELD OF RESEARCH IN SOUND REPRODUCTION. HE BUILT AND REBUILT UNTIL HIS FINAL PERFECTED MODEL COST HIM THREE MILLION DOLLARS

And the result?

Ask some one who attended the Alice Verlet recital last Tuesday evening. There was the public proof. Miss Verlet sang in comparison with the RECREATION of her voice by the New Edison. And no one could distinguish the living voice from its RECREATION.

The NEW EDISON

THE PHONOGRAPH WITH A SOUL

If you love music, you will agree with Tuesday's enthusiastic audience: The New Edison represents Three Million Dollars well spent. The soul of song is cheap at any price. Yet it is now brought within reach of your pocketbook. The instrument used in Tuesday's conclusive test is a duplicate of Mr. Edison's Three Million Dollar Model. It sells for \$285 (in Canada, \$431.)

COAL RULES HIT CITY LIGHTLY

The drastic nation-wide fuel regulations ordered Monday night by Fuel Administrator Garfield will not cause much inconvenience in Kingston because not much soft coal is used here. The strictures on illuminations and advertising signs do not apply as these are supplied with current generated by water power which also runs the machinery in most of the local factories.

The Kingston Gas and Electric Company and the Kingston Consolidated Railroad Company are the largest users here of soft coal. At the office of the former it was stated that the regulations were conditional and that the company was in a position where it could assure no curtailment of service in the near future. The trolley company has not received the official notice as yet but has some coal and does not anticipate any change in service immediately at least.

HATFIELD PAROLED.

WM. Try and Have Part of Pay Sent to His Wife.

Earl Hatfield, an enlisted man in the U. S. army, who was arrested at West Point several days ago, on complaint of his wife, for non-support, and sent to jail by City Judge Schirick for 180 days, was paroled by County Judge Fowler, Monday, for four days into the custody of his counsel, William D. Brinnier, Jr. Hatfield has gone to West Point to arrange for the sending of part of his pay as a soldier each month to his wife. Should he not be able to do so, and is dishonorably discharged from the army, he will be compelled to serve the remainder of his term in jail, unless he furnishes a bond ensuring support to his family.

Foot Specialist at Larkin's.

Larkin's shoe store was a very busy place all day yesterday, the reason for it being a special demonstration conducted by a noted foot specialist of Chicago, he being sent out by Dr. William Scholl of that city. There is no charge for his services and the appearance of the store yesterday proved that the people with foot trouble took advantage of his free advice. He will be here all day today and Wednesday from 1 o'clock until 6 and from 7 until 9 in the evening.

Late Editions of N. Y. Papers.

As the 7:10 p. m. West Shore train will not be discontinued, the Wall street editions of the New York evening newspapers will be received as usual by E. It is the 2:15 afternoon West Shore train that will be taken off tomorrow, that brings early editions of the New York evening newspapers.

-a Liberal Education!

The object of Hearst's is to entertain and enlighten. Through all its entertainment, however, runs a certain serious purpose—a definite mission. And that mission is to discuss, elucidate and solve the vital questions of family and public life that people everywhere are themselves considering.

Page 20, Hearst's for November

ALREADY—at the very moment you read this—a thousand particularly intelligent men and women are asking newsdealers for Hearst's for November. Minute by minute and hour by hour—all over the United States—this will continue until 500,000 of the most progressive magazine readers have secured their copies.

The others, disappointed, will have to wait—or be satisfied with a lesser magazine.

YOU, perhaps, already have your November number. You have looked at the Table of Contents—Ibáñez, Maeterlinck, Conan Doyle, G. K. Chesterton. Or nearer home; Judge E. H. Gary, head of U. S. Steel, on "Something More Than the Pay Envelope." Or B. C. Forbes, K. C. B., Walt Mason, Dr. Frank Crane. Or you have, maybe, turned first to the Art-Play-Book-Science-of the Month. One thing is certain, you have noticed the real authority of Hearst's—its splendid serious side.

What's Wrong In The Kitchen?

Kitchen smoke tells you that food is burning.

Burned food is neither appetizing nor healthful.

If the smoke comes from the fat used in frying or baking, the disagreeable smell which floats through the house clings to the clothing and is carried around for hours.

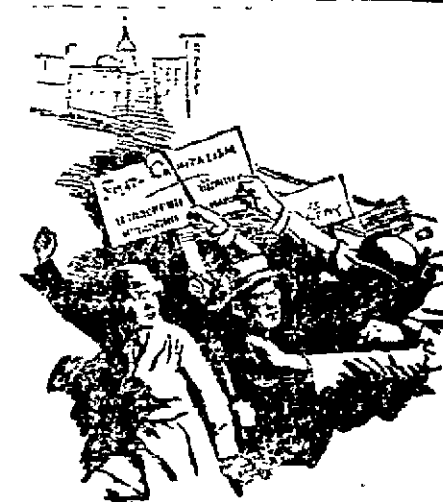

SALANUT does not burn or throw off odors. SALANUT stands greater heat than butter, lard compounds, or other oils or fats, because it is refined peanut oil.

There is no smoke or smell in the house when SALANUT is used in frying or baking, and the food tastes better.

SALANUT is sold by your grocer.

In tins: Pint, 50 cents; quart, 85 cents; gallon, \$3.00.

BUT—you say—you buy a magazine for its fiction. Good! Here in Hearst's for November are stories by Robert W. Chambers, Richard Washburn Child, Arthur Somers Roche, and Bruno Lessing, Arthur Stringer, Edwin Balmer and Gouverneur Morris. Besides these are three English writers, F. E. Baily, Derek Vane, E. Phillips Oppenheim—as well as Maurice Level, the best of the modern French writers. All these and several others in selected stories—stories that will make you think!

IF you don't particularly care for a magazine that will make you think—if you are not interested in a magazine a bit beyond the ordinary—you won't want Hearst's this month or any other. BUT, if you want the works of the world's great writers; if you want the words of the world's real leaders; if you want the thoughts of the world's great thinkers; don't fail to make sure each month, starting today with November, of getting your regular copy of Hearst's Magazine.

Celery King

Get a package tonight. It's cheap and you can brew a lot of tea with one package.

Take a cup every other night to regulate your bowels. To purify your blood and make you strong so you can withstand an attack of influenza if it happens to come along this winter.

It's one great vegetable laxative, and it won't cost you but a few cents to find it out.

Children like it, and there is nothing better that you can give them when they are ailing.

Too Much Tobacco Dangerous

says Doctor Connor, formerly of Johns Hopkins hospital. Thousands of men suffering from fatal diseases would be in perfect health today were it not for the deadly drug Nicotine. Stop the excessive use of tobacco habit in any form. Just go to any up-to-date drug store and get some Nicotol tablets; take them as directed and lo! the pernicious habit quickly vanishes. Druggists refund the money if they fail. Be sure to read large and interesting announcement by Doctor Connor soon to appear in this paper. It tells of the danger of nicotine poisoning and how to avoid it. It the meantime try Nicotol tablets; you will be surprised at the result. Connelly Drug Co. and Ten Broeck Pharmacy.

For Liver and Bowels Dr. Carter's K. & B. Tea

A Mild, Gentle Vegetable Laxative and Healthful Drink.

You can keep the whole family in good health if you will brew a cup of vegetable tea every other night and have them drink it just before going to bed.

For very little money you can get a package of Dr. Carter's K. & B. Tea, and after you and the dear ones have used it for a week you'll say it's the finest, gentlest and the most complete tonic laxative you ever ran across.

For stomach, liver and bowels and to purify the blood, nothing is more reliable. Give it to the little ones when they get feverish and can't eat. They like it and it does them lots of good.

BASKETBALL WEDNESDAY

Peerless vs. Emeralds And Pioneers vs. Kaseys at St. Peter's Hall.

Wednesday night the second two games of basketball of the Colonial League will be played. This league was formed in the last few weeks and consists of the following teams: Kasey, Pioneers, Emeralds, Peerless, Centrals and St. Peter's. Games are to be played once a week at St. Peter's Hall, corner Adams and Pierpont streets on Wednesday nights if possible. Two games are to be played each night and dancing to the strains of Curt Shurter's wonderful jazz orchestra will follow the games. The first game starts at 8:15 sharp and this gives plenty of time for dancing.

The following men are on the various rosters of the teams:

Emeralds: Boyd, captain, McCordie, manager, McGrane, Hallinan, J., Ryan, C., Manning, J., McHugh and T. McGrane.

Kasey: Murphy, captain, Hallinan, manager, McAndrew, Rizzo, Palisi, Duncan, Culleton and D. McGrane.

Peerless: Mames, captain, McMahon, Hicks, Hartman, Rodell and Schwab. "Major" Diamond is the manager.

Pioneers: Allen, manager, Moxham, McConnell, Butler, Markel. St. Peter's Thurin, captain, Reichert, manager, Bailey, Dittus, Keonig, J., Dittmar, Bott, Spader.

Centrals: Kiernan, Rourke, Hughes, Newman, Gregory, Soper, Schwenk, Rourke, Myers is the manager. With the teams as evenly matched as the rosters show, there certainly ought to be some fast games in the course of the schedule. The first two games were played last Wednesday night. The Emeralds opposed the Centrals and a fast game was the result. The Emeralds came out on the short end of a 26 to 14 score. St. Peter's played the Peerless and owing to a misunderstanding the score was muddled up. The game was finally called a tie and will be played in the near future. Matty Pence, a former Hudson River League referee, is handling the whistle and will be the official league referee. Matty believes in good clean playing as well as at fast game. This Wednesday evening the Peerless will play the Emeralds and the Pioneers will oppose the Kasey.

TILLSON.

Tillson, Dec. 8.—The school children are around selling Christmas Seals.

The Flying Eagle Patrol of Boy Scouts hiked to Bonticou Point Friday afternoon, spending the night there and returning on Saturday.

The Ladies Aid will meet at the home of Mrs. Marcus Kron on Thursday afternoon.

Francis Courto of Kingston spent Monday at the home of Marcus Kron.

The entertainment given by the Girl Scouts last Friday evening was fine and well attended.

Mrs. James Houghtaling is confined to her home by illness.

Mrs. R. DuBois spent some time with relatives and friends here last week.

Miss Emily Bennett visited the school Thursday afternoon.

Marcus Kron is doing some repairs for Mrs. P. Fox in Rosendale.

Miss MacAndrew has resigned her position as primary teacher in the school.

AT THE THEATERS.

Minstrel Show With All the Old Time Trimmings.

"Home," a Mildred Harris feature picture, in which the wife of Charlie Chaplin will be seen in a new production, will be shown at Keener's tonight. A Billy West comedy and Kinogram News also. Tomorrow Henry B. Warner in "The Man Who Turned White."

The girl wife conceived a most novel idea to enjoy herself while her elderly husband was away in the company of another woman. What this girl did, the plan she successfully carried out and the thrilling climax of her adventures is told in Ethel Clayton's latest Paramount feature, "Vicky Van," which is the attraction at the Auditorium tonight. Current News Events and Cartoon Comics are also added attractions. Tomorrow Evelyn Greeley in "The Oakdale Affair."

It has been some time since Kingston has had a minstrel show and Guy Brothers, with a reputation of pleasing the lovers of this form of entertainment for the past 45 years, promises to be a great event at the Kingston Opera House on Friday matinee and night. There will be a street parade with band concert in front of the theater at 12 o'clock and another band concert at 7:30 in the evening. The company have a numerous array of clever entertainers, bones, banjo and a real old time minstrel first part. Seats will be placed on sale tomorrow.

SAMSONVILLE.

Samsonville, Dec. 8.—Sunday school and Epworth League were well attended on Sunday. Mrs. W. G. Moore was leader of the meeting. Mrs. J. Beesmer is the appointed leader for December 14.

Mitchell Every visited at his sister's, Mrs. James Burgher, of West Shokan, over Sunday.

Mrs. Herman Barringer was out calling on the sick on Saturday.

Mr. and Mrs. Freeman Every went to see Mrs. Mary C. Barringer, who has been ill for some time, and is not able to lie down sometimes on account of shortness of breath.

Virgil Barringer of Palenstown is doing carpenter work for Herman Barringer.

Freeman Every has purchased a new traveling outfit—a coat and buggy wagon. People are beginning to send to Mrs. Agnes Beesmer for her home-spun yarn, fringe mittens. These cold days make cold fingers for persons driving, and Mrs. Beesmer's mittens and gloves are noted for warmth.

Ed Every of West Shokan and his friend, Jesse Burgher, of Pennsylvania, who is spending a few weeks with him, spent Tuesday night with his brother, Mitchell Every.

Mr. and Mrs. Virgil Barringer of Palenstown called on Mrs. J. H. Bever on Sunday.

Miss Ella Shurter returned to her home in the village on Wednesday.

ARDONIA.

Ardonia, Dec. 8.—Mr. and Mrs. Jake Mackey moved to Highland, Tuesday. Their many friends are very sorry to have them leave, as they were wonderfully kind and accommodating neighbors, nevertheless, all wish them success in their new field of labor.

Mrs. William Crawshaw entertained her father, Mr. Bell, of New York city over Thanksgiving.

Arthur Laforce has moved to Modena.

YERRY TO AID

In Solving Housing Situation—To Build Three Dwellings.

On Saturday Joseph Yerry of Clinton avenue purchased of John E. Kraft of Fair street three lots on Pine street, numbers 137, 139 and 141. Mr. Yerry, who is a well known contractor and builder, plans to build three houses on the land. The houses will be up to date in every detail and Mr. Yerry expects to have them ready for occupancy in the spring, at which time he will place them on sale.

Each house will be equipped with all the latest improvements which tend to make a home cozy to live in.

Community Sing Tonight.

Tonight the people of Kingston, men and women, boys and girls, are urged to attend the Community Sing at the High School, singing to begin promptly at 7:30 o'clock. In order that there may be no objection to the attendance of the boys and girls, Mr. Dodge, conductor of the sing, begins the sing at 9 o'clock. Tonight the most of the time will be given over to the singing of the Christmas music.

Why Bud Is So Healthy.

An army surgeon says city men are less liable to disease than country folk because they are more used to dirt. If being accustomed to dirt is a guarantee of health henceforth we are going to let that seven-year-old rascal come to the dinner table arrayed in all his glory. The condition of his hands and face may make the rest of us sick, but so long as he is well the dirt may lie on his fingers and then thick—Detroit Free Press.

Rumanian Superstitions.

Ghosts are plentiful in Rumania. The Strigoi are evil spirits which on St. Andrew's night make their way for mischief into every house whose doors and windows are not appointed with garlic, the scent of that plant being intolerable to the ghostly nostrils. The Moroi are the spirits of unbaptized babes, crying for their mothers' breasts and not to be appeased save by sprinkling their graves with holy water for seven years.

Princess Nicholas Vladimirovitch Engelstheff.

A vision in a costume of reddish tan, the beautiful Princess Nicholas Vladimirovitch Engelstheff, wife of the Russian nobleman widely known in America, lightly tripped down the gangplank of the La Lorraine in New York. Her Parisian-turban with its tall, upstanding brim, all of leather, long kid gloves and beads of the same reddish tint, attracted much attention aboard the liner. She is the second wife of the Prince, though the only Princess, as the first, an American heiress, had resumed her maiden name, Evelyn Florence Partridge. The Princess was Madame V. Bertrand before her marriage. She visited America two years ago and created quite a sensation with her wonderful gowns.

"VICKY VAN"

A PARAMOUNT PICTURE.

By Carolyn Wells. Scenario by Marion Fairfax.

Directed by Robert Vignola.

Ruth Schuyler soon got so tired of her old, grey husband that she changed her name to Victoria Van Allen and resolved to have the time of her young life. But even an old, weather-beaten husband can fight for what he considers his personal property. You ought to see "Vicky's" husband "raise hell."

POLICE BREAK UP
YOUTHFUL GANG

Aloysius Brayton, 16 years old, was sentenced to Randall's Island this morning by Judge Schirck. His three colleagues, Joseph Karman, 14; Thomas Hickey, 14; and William Hawkins, 12, were paroled in the custody of Arthur C. Connolly and Robin Steele, members of the Kingston Rotary Club. The skunk skins from Louis Steinhardt of 62 Murray street, Lester Christiana, who was not under arrest, but who confessed to being with the boys, were placed in probational. Brayton has been in trouble a number of times. He has served time in other institutions. His arrest led to the arrest of John Van Stenburgh, 15, charged with aiding Brayton in burglarizing Saffran's store on lower Broadway. Van Stenburgh entered a plea of not guilty, and his father asked for an adjournment in order to secure an attorney.

LOCAL DEATH RECORD.

Recent Deaths and Funerals of Persons in This Vicinity.

The funeral of Andrew S. Goodrich will be held at Woodstock, at the late residence, Wednesday at 2 p. m. Interment in the Woodstock cemetery.

The funeral of Mrs. Isabella McMillan, mother of Supervisor McMillan of the town of Olive, who died at Shokan, Saturday, was held this morning at the home of her daughter, Mrs. John Rainer, Brodhead, N. Y., at 10:30 o'clock.

Prof. John D. Murphy, for many years a teacher in the public schools of this city, and for a long period principal of School No. 1, at Wilbur, died Monday evening. He was an excellent educator and the hundreds of young men and women to whom he had taken great educational interest will mourn his loss. Always a good citizen he was interested at all times in the welfare of the city. Besides his wife, Margaret M., he is survived by three children, Raphael R., Volter T., and William J. Murphy, also three sisters, Sabina, Margaret L., and Mary E., and one brother, Francis M. Murphy, of Saugerties. The funeral will be held from the residence of his sisters, the Misses Murphy, 774 Broadway, Thursday morning at 9 o'clock and from St. Joseph's Church at 9:30 a. m. Interment in St. Mary's Cemetery. It is requested that flowers be omitted.

John H. Van Etten, aged 76 years, a former resident of this city, died at his home in Poughkeepsie Sunday. He enlisted in the 123rd Regiment, Co. C, from Rhinebeck under Captain Keres and served in all the engagements in which the regiment took part. After the war he went to Rhinebeck where he resumed his trade as carpenter, entering business with his father. After going to Poughkeepsie he was engaged for a number of years as pattern maker with Charles Mitchell. He removed to Millbrook but later returned to Poughkeepsie. He had been an invalid for about fifteen years and was not able to work at his trade during that time. He belonged to one of the oldest families in this part of the state, as the family has resided in Dutchess or Ulster county ever since 1666. They came from Holland and originally settled in Ulster county. Mr. Van Etten leaves a widow and four sons and one daughter, besides three sisters. The sons are Ernest and Edward of Poughkeepsie, Grant, of the Borough of Richmond, and Fred, who is an actor with the "Parlor, Bed Room and Bath" Company, which is now touring southern cities. The daughter is Mrs. Arthur Fraleigh of Scarsdale, N. Y., while the sisters are Mrs. Charles Woodie of Poughkeepsie, Mrs. J. Wilkinson of North Adams, Mass., and Mrs. David Wager of Rhinebeck. The funeral was held this morning at 10 o'clock from the home of Charles Woodie, 536 Main street, Poughkeepsie, at which the Rev. Richard E. Bell officiated. It was a Grand Army funeral and Hamilton-Slight Post attended in a body. Interment in the family plot in the Rhinebeck Cemetery.

Lutheran Church Supper.

The Ladies' Aid Society of the Spring Street German Lutheran Church will give their annual supper Wednesday, December 10, in the school hall from 5 to 9 o'clock. It will be a delicious chicken supper. In connection with the supper a Christmas sale will be held with a big line of fancy articles.

PORT EWEN.

Port Ewen, ec. 9.—Evangelist T. LeRoy Muir preached a very helpful sermon in the Methodist Church Sunday evening to a large and appreciative audience. His text was 91st Psalm, first verse, "He that dwelleth in the secret place of the Most High shall abide under the shadow of the Almighty." Preceding the sermon Russell E. Kaufman sang so sweet and feelingly, "Jesus Wonderful Name." Mr. Kaufman captivates his hearers with his wonderful singing and helps along the evangelistic campaign in an amiable manner. Evangelist Muir after preaching so earnestly and prayerfully gave the invitation to come to the altar to all those who wanted to restore communion with God; all those who have backslidden or those who wish to take Christ as a personal Saviour. More than half of the congregation accepted the invitation. Mr. Kaufman into the inquiry room in charge of Rev. Harry Rundell who is a wonderful help to any one who is anxious to know about Jesus and his power to save. A great many Christian testimonies were given and the church gave our card to be signed. The meeting was one long to be remembered on account of the spiritual atmosphere. Devotional meetings will be held every morning this week except Saturday at the different homes. This evening is "Men's" night. The men will sit on one side of the church, all together. Every one is invited to this service. Wednesday evening is Church night. All members of the church are to march in

from the chapel in a body. Thursday evening is Mother's night. Every one is asked to wear a white flower or a white ribbon in honor of the mothers. Friday evening is young peoples night and Saturday night is musical night. The choir will give a musical program in connection with the sermon. Every one is invited. If you are for this campaign show your colors at every meeting. Bible study every afternoon from 2:30 to 3:35 conducted by Rev. Harry Rundell. The meetings are well attended and very helpful and interesting. Come and bring your Bibles and listen to an explanation of depth on the Holy Scriptures. A sermon will be given to all the boys in this village and vicinity Wednesday afternoon at 4 o'clock by Russell E. Kaufman. Come and hear a very interesting and helpful address by Mr. Kaufman and listen to a young man who is an earnest Christian and sings so sweetly for Jesus.

Lieutenant Dittus will address the men of the congregation of the Reformed Church tonight at Spinnaker's Hall at 8 o'clock. The men of the congregation are all invited to be present and enjoy a social acquaintance evening with refreshments and smokes in order for everybody. Lieut. Dittus will relate his experiences with the 27th Division overseas and describe the breaking of the Hindenburg Line with "O'Reilly's Roughnecks" as the 27th Division was known. No male member of the congregation is expected to be absent.

Dr. Ismael Montes

Among the many prominent persons who arrived in New York from France aboard the liner Laloraine, was Dr. Ismael Montes, former president of Bolivia. Dr. Montes spent some time in Paris watching the proceedings at the Peace Conference. He is planning a trip which will take him to several of the more important cities of the United States before he returns to his native land.

ACCORD.

Accord, Dec. 8.—Ross Coddington and Lawrence Devore are attending Spencer's Business School at Kingston.

Arthur Every does not seem to improve in health very rapidly. Accord was well represented at the fair at Kingston Friday and Saturday.

Leonard Markle of Kingston spent Saturday afternoon in town. Harry Lawrence, who is acting as supply operator on the O & W. R. R., spent Saturday at Middletown.

An Easter supper for the benefit of the M. E. church will be held at the church hall on Wednesday evening, December 17. Price, 40 cents. Everybody come.

The first real snow fall of the season occurred Saturday evening. Lawrence Coddington was the first to have his sleigh out.

He just states that Ralph Markle and friend, who attended the party at Whitford Friday evening, had to walk in their respective homes because Ralph could not get his Ford started. It seems that the car would not start because the switch was resting comfortably in Ralph's pocket instead of in its place in the car.

A musical show of local talent will be held in the Odd Fellows' Hall Friday evening, December 12. Admissions, 50 cents.

Tastes Good Is Good

Every pound of Troco you buy saves you 25 to 40 cents. And this nut-made product is a real delicacy, unequaled in richness and flavor. And Troco is nourishing, too. Made from the dainty nut fat extracted from the white meat of fresh coconuts, churned with pasteurized milk, it is rich in food value. You can pay more, but you cannot buy finer flavor, sweetness and delicacy.

Spread it on thick. Use it in cooking—for making cakes and for flavoring meats and vegetables. No need to economize—Troco cuts grocery bills.

Troco is churned and shipped daily, on ice. If your dealer will

order frequently, and keep his stock in the ice box, Troco will reach you fresh and sweet as when taken out of the churn. If you have trouble in getting Troco in perfect condition, write direct to the Troco Nut Butter Company, Chicago.

Send for Troco Recipe Book

The Troco Recipe Book, a practical little volume, prepared by Ida C. Eddley Allen, gladly sent free on request. Address Troco Nut Butter Co., 20 N. Michigan Ave., Chicago, and mention your dealer's name. (For Sale by All Dealers)
